Reporting Emergency Financial Aid Grants for Students

1. The assurance that the college has used HEERF III student funds, to provide Emergency Financial Aid Grants to students based on the legislation requirements for each allocation.

   Signed               Dr. Kenneth Macur, President               7/10/2021
   Name and Title                  Date

2. The total amount of funds that Medaille College has received from the Department of Education and distributed Emergency Financial Aid grants to students, was $3,198,428 under HEERF III funding.

3. The estimated total number of students at the institution eligible to receive Emergency Financial Aid grants to students is 1494.

4. The method(s) used by the institution to determine which students receive Emergency Financial Aid Grants under Higher Education Emergency Relief Fund III are as follows:

   Students must have met the following criteria during the spring 2021 semester to be eligible for an Emergency Financial Aid Grant:

   ➢ Full-time, matriculated student affected by COVID disruption (non-matriculated students are not eligible)
   ➢ Financial aid grants were allocated to students that applied for Title IV aid, and those that did not apply for financial assistance.
   ➢ Students were allowed to opt in or out, of directly applying the emergency relief grants to their institution account balance.

   The following guidelines were used to determine the amounts of individual grants:

   ➢ All eligible students have received a minimum of $100
   ➢ Additional award amounts are based on Expected Family Contribution (EFC) as determined from the free application for Federal Student Aid (FAFSA) filing.

5. Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.

   Financial Aid Grants are awarded directly to students, which can be used for any component of the student’s cost attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care.
