MAT 201 Statistics and Society (3)

Notes:

Students are required to use **one** of their **social science electives** to take HI 101, **one** of their **humanities electives** to take EN 410 and **one** to take an equivalent to GEN 230, and **one** of their **science electives** to select an ECC natural science course designated as equivalent to Medaille's GEN 240. See Master List of Transferable Courses for options.

Transfer students through this program are exempt from GEN 110 but are required to substitute an arts and sciences course in its place.

Credits to be completed at Medaille: (9)

ENG 200 Analytical Writing (3)
GEN 410 Baccalaureate Capstone I (3)
GEN 411 Baccalaureate Capstone II (3)

LAS-General Studies Program Electives

To **maximize** transfer of ECC courses that fulfill graduation requirements in their intended major of Psychology or Criminal Justice at Medaille College, students **must** adhere to the guidelines below in using their remaining ECC program electives. Students who do **not** follow these guidelines **may** require additional credits and time toward the fulfillment of their baccalaureate degree. Consult the **Master List of Transferable Courses** for complete list of course options as appropriate.

Psychology

Transfer Course Guidelines

Mathematics elective (1): MT 121 or MT 125 (the 3 credits count toward core requirements; the fourth credit counts toward free electives).

With Math or Natural Science elective, students are required to take MT 143 (3 credits count toward the core requirements; the fourth credit counts toward free electives).

With five of their social science electives, students are required to take PS 100, PS 201, PS 202, PS 203, PS 204 (the fifteen credits count toward the major).

With their liberal arts elective and their one remaining social sciences elective, students should select any two transferable arts and sciences courses (credits count toward liberal arts and sciences component).

With their five open electives, students may select any five transferable courses (credits transfer as free electives).

Note: ECC's ENG 111 transfers as a liberal arts and sciences elective.

Summary of Psychology Credits

General Education	21	9
Major (requirements/electives)	15	30
Arts and Sciences	9	15 *
Free electives	17	6
	<hr/>	<hr/>
	62	60

*LAS substitute for GEN 110.

Criminal Justice

Transfer Course Guidelines

Mathematics elective (1): MT 121 or MT 125 (the 3 credits count toward core requirements; the fourth credit counts toward free electives).

With Math or Natural Science elective, students are required to take MT 143 (3 credits count toward the core requirements; the fourth credit counts toward free electives).

With their remaining social science electives, students are required to take PS 100, SO 100, any transferable U.S. History or political science course, and any three other transferable social science courses (credits count toward LAS and social science requirement elective categories).

With their Liberal Arts elective, students may choose any transferable LAS elective (credits count toward LAS elective category).

With their five open electives, students should select the following CR courses: CR 150, CR 160, CR 170, CR 260, and CR 350 (credits count toward the major).

Note: ECC's ENG 111 transfers as an LAS category elective.

Summary of Credits for Criminal Justice

General Education	21	9
Major (requirements/electives)	15	22
Elective Study Area Component	0	12
PE Requirement	0	2
LAS components	24	3*
Free electives	2	
	<hr/>	<hr/>
	62	58

*LAS substitute for GEN 110.
