

ARTICULATION AGREEMENT IN LIBERAL STUDIES (B.S.)
BETWEEN
JAMESTOWN COMMUNITY COLLEGE
AND
MEDAILLE COLLEGE

PURPOSE OF AGREEMENT

This document establishes a transfer articulation agreement between Jamestown Community College and Medaille College. Its purpose is to afford students the opportunity to pre-plan their college careers, and to facilitate the transfer process from Jamestown Community College to the Bachelor of Science (B.S.) Liberal Studies degree program at Medaille College.

GENERAL GUARANTEE OF ADMISSION, STANDING, AND TRANSFER OF COURSES

Students who graduate from Jamestown Community College with an Associate in Arts (A.A.) degree or an Associate in Science (A.S.) degree, and who have also achieved a minimum cumulative Jamestown Community College grade point average of 2.5, are guaranteed admission with full junior status into the B.S. Liberal Studies degree program at Medaille College. Students can transfer toward meeting Medaille College degree requirements up to 76 credit hours from the courses listed in Appendix A. When a JCC course carries more credits than an equivalent Medaille College course, the excess credits will transfer as elective credits. For example, MAT 1600 Precalculus (4 credits) will transfer as MAT 115 Pre-Calculus (3 credits) plus 1 credit of MAT electives.

GENERAL GUARANTEE OF OPPORTUNITY TO GRADUATE AND PROGRESS

Students who graduate from Jamestown Community College having taken a minimum of 60 credits from the courses listed in Appendix A of this agreement are guaranteed the opportunity to earn the bachelor's degree with four continuous semesters of full-time study at the normal coursework rate of 15 or more credits per semester at Medaille College.

PROMOTION OF AGREEMENT

Both parties have the right to use this agreement and the names of Jamestown Community College and Medaille College in all promotional activities including college catalogs and recruitment or advisement activities.

PROVISION FOR CHANGES IN POLICIES OR CURRICULA

Proposed changes in policies or curricula by either party should be communicated in writing to the other party.

PROVISION FOR CANCELLATION

Either party may independently cancel this agreement by notifying the other party in writing no less than one year before the intended date of cancellation.
