

Niagara County Community College-Medaille College

Cooperative Degree Program Curriculum Guide

Liberal Arts and Sciences (A.A.)

This transfer guide outlines by category each of the curricular requirements necessary to earn a bachelor's degree in business administration, English, or psychology at Medaille College. Students who complete all the required courses in Niagara County Community College's **liberal arts and sciences (AS)** degree program and who use their program electives as advised in this document can earn a baccalaureate degree in business administration, English, or psychology at Medaille in 57-63 credits, depending on the program.
