We need to fill ten spots. If you are interested, please pick up an application in Student Involvement. Applications are due February 17<sup>th</sup>. We have also fixed the sign in computer in Student Development, you do not have to click on anything anymore you just have to scan your ID card. Lastly, if you are going to attend Advocacy Day I need to know by the end of today. Thanks!
  - VI. Executive Reports:
    - President Appenheimer – First, I would like to remind everyone that there is a lot that needs to be done this semester and not a lot of time to do things. I ask that committees find a time to meet and start to set goals for this semester. I know this is a busy time but if we all come together we get things done. Lastly, I would like to thank everyone for handing in your community service ideas. I will be going over and researching all suggestions over the next week to come up with a community service idea that we all will like. I will also be meeting with Nicole in Community Based Learning to see what we can actually do. Once I have compiled a list I will let everyone know and we will decide what we will do. Thanks!
    - Vice President Sciandra -
    - Treasurer Bloomberg – I do not have the numbers for today but I will send them out when they come in. As for people in Finance committee if you could please just stay after, so we can find a time to meet that would be great. Thanks!
- Fundraising: \$9,809.60    Contingency: \$38,518.49    Remaining: \$200,382.94    SGA Account: \$29,930.60
- Secretary Kornowski – I have updated the contact sheet according to requests that have been made. I will pass it around one last time to make sure all changes have been made correctly. After all changes are confirmed I will print out a copy for everyone and put them in your mailboxes, so look for those sometime this week. Thanks!
  - Club Council Leone - Club Council is this Wednesday February 1<sup>st</sup> at 12:40 in Main 333. Thanks!
  - Programming Officer Belz – If Programming committee could just stay after to discuss the end of the year banquet theme, ticket price, colors, etc. that would be great. Thanks!

- Public Relations Officer Cicero – If Public Relations committee could stay after to talk that would be wonderful. Thanks!

VII. Senator Reports:

- Senator Carpenter – “I have a Campus Improvements update. Within Campus Improvements we have compiled a list of concerns we are going to address this semester. These concerns include: commuters’ meal plan, changing/updating the pictures in main and creating a Maverick Friday/ Medaille Pride wall in Sully.”

VIII. General Announcements:

- Treasurer Bloomberg – “SAB is having a movie night February 16<sup>th</sup>.”

IX. Old Business: Survey Monkey

X. New Business:

- President Appenheimer – Each year SGA gives a gift to Medaille as a whole. For example, one year SGA bought benches to put out by the quad. This year SGA would like to buy water bottle fillers for water fountains on campus. Vice President Sciandra and Programming Officer Belz will talk more about this idea.
- Vice President Sciandra – “I have been researching this idea since last semester and there are a few different kinds we can get. Prices vary depending on what kind we want. We can get one that can be added on to already existing fountains or we can buy brand new ones. If we get these we will also have to see if they are compatible with the fountains, we already have and how many we would get. Advisor Kayla is meeting with maintenance later in the week to discuss more details. If we do get these we would also get a plaque to go on them stating that they were a gift from SGA.”
- Programming Officer Belz – “If we do this we can also have an event on April 20<sup>th</sup> for Earth Day where we give away SGA water bottles. This would help promote SGA and healthy living.”
- President Appenheimer – “Do I have a motion to discuss or to vote?”
