- VI. Executive Reports:
 - President Appenheimer – First, is Diversity Week. It has been going good. However, we only had eight people show up to our last event. So if you could please help spread the word about our upcoming events that would be great. Our next Diversity week event will be tomorrow night in the Lecture Hall at 7:00PM. We will be holding a Diversity workshop. Then on Wednesday in Sully from 12:30 to 1:30 we will be having a diversity pledge signing and if you sign up you will get a free T-shirt. Again please help spread the word about both of these events. Next is Open House. Open House will be October 15th from 8:30AM to 11:00AM. Is there anyone who is not a Student Ambassador that can sit at the Student Government table? Okay, let me know if you can and I will also open this up to the new members as well. Just some updates for everyone. I just wanted to remind everyone that Maverick Friday is every Friday. So remember if you post your pictures on social media you can be entered to win a Medaille Pride pack. If you have any questions you can ask Senator Sciandra and she can tell you more about that. Also, next meeting we will be going over a lot of things with the new members, so I ask that you all look over the constitution changes as well as Roberts Rules. Thanks!
 - Vice President Sekuterski – I have made up a committee sheet that I will email to all the new members, to see what committee they would like to be on. The members will pick their top committees and then hand in the sheet. We will try to assign them a committee based on their top choices. Also, elections are Tuesday and Wednesday. Tuesday I am sitting at the voting table from 12 to 12:30. I need someone to sit at the table from 12:30 to 1:30pm. If any of you can please let me know. Thanks!

- Secretary Kornowski – I understand there were title changes this year and some things were not updated so now here are the updated documents that some of you have requested. I also just wanted to let you know that I have also updated the title changes to all document and labels. So as of now everything is up to date and all titles are corrected. In regards to Campus Improvements, I have spoken to the head person of maintenance and he told me that they just ordered all new clocks and batteries to replace all of the broken ones throughout Medaille. He said that they should be in by mid-week this week and that that is their next project. They will also be fixing the times on all the working clocks as well. I told him to keep us updated with that project as progress is being made. So as new information becomes available I will let you all know. Thanks!
- Club Council Leone – Last week’s Club Council went well. Most clubs did show up. The next Club Council will be October 19th at 12:40 in the same room. Thanks!
- Programming Chair Belz – I sat down with Advisor Kayla the other day and we have everything picked out we just still have some things to order. We are trying to get blankets with the Student Government logo on them as the favor. We have to see if that would be in the budget still but that is what I am hoping to do. Thanks!
- Public Relations Cicero – I do not have much of an update but I am going to start to make up the layout of the newsletter so when the new members come I can just assign them articles. Thanks!
